Cycling without Borders

Fund Raising Event

'Racial Harmony' is the theme of our service project this year! Through a series of projects, we hope to promote exchange between ethnic groups and the idea of racial harmony.

Cycling is one of the few events that are enjoyed by many, regardless of nationality and ethnicity. No matter who you are and where you are from, please join us and you can enjoy the fun of cycling as well as stepping out one step ahead for racial harmony!

All net profit will be used to fund our service project targeting at the racial minorities in Hong Kong and promoting the idea of racial harmony.

We would be glad on your support for enhancing racial harmony!
