Besides the long term service projects, namely Ching Lan Home, and Hong Kong Youth Culture and Arts Competitions, and our club mainly focused on children from low salary family in this period. We also joined various projects held by other organisations such as GP8, North District Junior Chamber, Ronald McDonald House, Families of Spinal Muscular Atrophy Charitable Trust, Hong Kong Children and Youth Services, and Playright, etc.

For fund raising activities, we had many new ideas, including games competition, walkathon, horse riding and war games. We also had new attempt in recruitment. We had organised a joint recruitment programme, namely APEX, with Leo Club of Hong Kong North, Leo Club of Bayview and Leo Club of Hong Kong Millennium. The programme was held annually from 2005-2009.

We maintained our excellent involvement in Youth Exchange programme. Our members joined the youth exchange camps and conventions in Japan, Taiwan, Italy, Canada, Czech Republic and Thailand. Our members also helped in the 88th International Lions Convention in Hong Kong in 2004. We also maintained the relationship with our twinning Leo Club in Malaysia by visiting them every year.

Our club developed our web site in 1998-1999, web photo album in 2004-2005, facebook group and xanga blog in 2007-2008. In order to have more systematic way to maintain our club information and structure, we published HOST information, HOST History & Past Officers List since 1999. The HOST information became the BIBLE of our members.

Our club actively involved in Leo District by serving as officers and committee chairpersons. We had the third Leo District President, Leo May Wong, from our Club in 1999-2000. It was our honour that the outstanding performance of our Leo member was recognised by Lions Clubs International. Leo Emily Ho won the LCI Leo of Year Award in 2007-2008.
